

Bible Reading Checklist

Designed by: Gale Henderson | A New Day Ministries
www.anewdayministries.org

With this handy checklist, you'll be able to customize your reading plan anyway you choose, set your own pace, and visualize your progress by checking off the chapters as you read them.

Instructions: Mark once diagonally through each box until you have read the entire Bible. For the second time you read the bible, mark diagonally the other way so the box is filled with an X until you have finished reading the entire bible.
